

COOKIE POLICY ON THE COOKIES USED BY OUR WEBSITE

About Hacıoğlu Goldmine website,

This text has been prepared by the data controller, Personal Data Protection Authority (ZİYA GÖKALP MAH. SÜLEYMAN DEMİREL BLV. THE OFFICE NO: 7 E İÇ KAPI NO: 136 BAŞAKŞEHİR/ İSTANBUL), in accordance with the Article 10 of the Personal Data Protection Law numbered 6698 and the Communiqué on Principles and Procedures To Be Followed In Fulfilment of The Obligation To Inform.

The aim of this Cookie Policy document is providing information to you about processing personal data through the cookies of our website which are placed into your device, and also regarding purposes, types of cookies, their legal basis and your rights.

Our website uses first party session and persistent cookies that are strictly and solely necessary to provide services.

Cookie Types

Cookies according to the duration: Session cookies are used for the continuity of the session. When the user closes his/her browser, these session cookies expire. However,

persistent cookies do not expire even the browser is closed by the user and they expire when

they reach a specified date or after a certain time. In that regard, session cookies and

persistent cookies are used on our website.

First Party and Third-Party cookies: First party cookies are directly placed by the website –

i.e. address shown in the browser's address bar- visited by the user.

However, third party

cookies are placed by another domain other than the website visited by the user. In this

framework, only first party cookies are used on our website.

Cookie types according to the usage purposes: Cookies can be used in accordance with

their usage purposes such as strictly necessary, functional or advertising.

In that regard, our

website uses strictly necessary cookies to enable the information society services explicitly

requested by you.

In that regard,

A) cookiesession1 is used for the purpose of web site security in order to check whether the requests to website are authentic. It is a first party persistent cookie and the retention period is one year,
B) ASP.NET_SessionId is a first party session cookie used for specifying the language in which the user prefers to view the website
C) cookiepolicy_status is a first party persistent cookie used for confirming that this Cookie Policy was read by the user and the retention period is one year.
Your personal data are processed by associating with your IP data and your personal data are not transferred to other data controllers.

Legal Basis for Personal Data Processing

Your personal data are processed through cookies, based on Article 5/1(f) of the Personal Data Protection Law which stipulates that “Processing of data is necessary for the legitimate interests pursued by the data controller, provided that this processing shall not violate the fundamental rights and freedoms of the data subject.”

Requests of the Data Subjects

Data subjects can convey their requests regarding the personal data processed through the cookies used on our website to the Turkish Personal Data Protection Authority in accordance with Article 11 of the “Communique on the Principles and Procedures for the Request to Data Controller”.
